

# SS7200 KNIFE BLADE SCRAPER SET

## SS7200 KNIFE BLADE SCRAPER SET

Knife blade scrapers have sharpened knife blade and are designed for scraping stubborn stuck gasket and adhesives. It has been proven through use that radius cutting edges cut into stubborn gasket materials better than stiff straight edge scraping tools.

- Two compound handles with thumb stop for extra control.
- Stainless Steel knife blades, heat treated 420 stainless
- Blades are designed to be re-sharpened.
- Highly Polished blades clean up easily
- Life time Warranty.

SS710 Spoon Blade scraper
